Notice Regarding Recognition of Non-operating Expenses (Foreign Exchange Losses)

The Company announces that non-operating expenses (foreign exchange losses) have been recorded for the nine months ended October 20, 2026 (from January 21, 2026 to October 20, 2026), as follows.

1. Details of Non-operating Expenses (Foreign Exchange Losses)

The Company recorded foreign exchange gains of 86,230 thousand yen in non-operating income during the interim period of the fiscal year ending January 2027 (January 21, 2026 – July 20, 2026). Due to subsequent fluctuations in foreign exchange rates, this amount decreased by 130,233 thousand yen. As a result, the Company recorded foreign exchange losses of 44,002 thousand yen in non-operating expenses for the nine months ended October 20, 2026 (from January 21, 2026 to October 20, 2026). These losses resulted primarily from foreign currency-denominated transactions, including accounts receivable and loans from existing transactions, and may fluctuate depending on future foreign exchange rate conditions.

2. Impact on Financial Results

Regarding the impact of the aforementioned non-operating expenses (foreign exchange losses) on the Company’s financial results, please refer to the "Consolidated Financial Results [Japanese GAAP] for the Third Quarter of the Fiscal Year Ending January 20, 2027," announced today.
