## Announcement on Receiving Japanese Marketing License for Regenerative Medicine Products

SanBio Company Limited (hereafter, “the Company”) has announced that it concluded a basic transaction agreement with Suzuken Co., Ltd. regarding the commercial distribution of regenerative medicine products and also agreed on joint development related to a patient support system<sup>\*1</sup>. The SanBio Group (the Company and its subsidiary SanBio, Inc.) hereby announces that in late July 2019, it also received a Japanese marketing license for regenerative medicine products from the Tokyo Metropolitan Government as part of post-marketing preparations.

The Company aims to begin manufacture and marketing of regenerative medicine products in Japan by the end of 2020 to transform itself into a pharmaceutical company. We will continue to do our utmost to deliver new medicines to patients at the earliest opportunity.
