## SAAF Holdings Group - Symposium held at the University of Da Nang, Vietnam's College of Technology

### Lecture on AI-equipped 360° camera “4DKanKan”

---

We are pleased to announce that Geosign Co., Ltd. (Headquarters: Chiyoda-ku, Tokyo; Representative Director: Yoshifumi Narita; hereinafter referred to as "Geosign"), a group company of our group, participated in the symposium "Application of 3D Laser Scanning Using Point Cloud Data (Scan to BIM)" (hereinafter referred to as "this symposium") held on June 18, 2025 at the University of Da Nang, University of Technology (Da Nang, Vietnam).

This symposium was held in collaboration with industry, academia, and government in Vietnam, Japan, and China, with the aim of promoting international collaboration and digitalization to train the next generation of construction engineers. With the support of the Consulate-General of Japan in Da Nang, representatives from companies and educational institutions from each country took to the stage. Mr. Narita of GeoSign introduced efforts to support the introduction and operation of spatial data technology using the AI-equipped 360° camera “4DKanKan,” for which GeoSign is the sole domestic distributor, both in Vietnam and overseas. Furthermore, regarding “4DKanKan,” Jibannet Holdings Co., Ltd. (Head office: Shinjuku-ku, Tokyo; CEO: Takahiro Arakawa; Stock code: 6072) gave a lecture introducing digitalization technology in the construction sector using the “4DKanKan” platform and its vision for use in educational settings.

As announced in the press release dated December 13, 2024, “Awarded as a company that contributes to strengthening friendly relations between Vietnam and Japan,” our group has had deep ties with Vietnam, with Something Co., Ltd. (headquarters: Koto-ku, Tokyo; Representative Director and President: Yoshifumi Narita) being recognized for its contributions to accepting technical trainees and helping them acquire technology and skills, and receiving an award from the Embassy of Vietnam in Japan and the Ministry of Labor, War Invalids and Social Welfare of Vietnam. We regard this symposium as a valuable opportunity to connect education and the workplace in Vietnam. We will strive to contribute to further development as a group and to make it the first step in creating synergies for new business development.
