2. Reason

The Company’s basic policy is to optimize the balance between the improvement in our corporate value through mid/long-term growth and return to shareholders, and we aim to return profits in a stable manner with consideration of business performance.

In accordance with this policy, the Company resolved to pay a dividend of JPY 8.00 per share as the year-end dividend for the fiscal year ended March 31, 2026, as in the latest dividends forecasts.

This dividend is not funded by net profit for the current fiscal year but will be paid primarily from retained earnings accumulated in prior fiscal years. Going forward, the Company will prioritize the recovery of profitability and the strengthening of cash generation capabilities, while maintaining financial discipline and continuing shareholder returns in a manner that balances growth investments.

The Articles of Incorporation of the Company stipulate that the Company can pay dividends from retained earnings based on the resolution by the Board of Directors.
