Actual results for the previous fiscal year (Fiscal year ended February 28, 2026)	15.00	14.00	29.00

(2) Reason for revision to year-end dividend forecast

The Company's basic policy regarding the distribution of profits is to implement progressive dividends while securing the internal reserves necessary for future business development and the strengthening of its management structure.

PICKLES CORPORATION, a principal subsidiary of the Company, will celebrate the 50th anniversary of its establishment in February 2027. We wish to express our heartfelt gratitude for the support we have received from our shareholders, customers, and many other stakeholders, to whom we owe this milestone.

As a token of our appreciation to our shareholders, the Company will pay a commemorative dividend. The Company will also increase its ordinary dividend, comprehensively considering its business performance trends, financial position, future business development, and other relevant factors based on the basic policy described above. As a result, the year-end dividend forecast for the fiscal year ending February 2027 will be revised upward by 3 yen from 14 yen (ordinary dividend: 14 yen) to 17 yen (ordinary dividend: 15 yen; commemorative dividend: 2 yen). Accordingly, the total annual dividend is expected to be 32 yen.

* The dividend forecast provided above is based on information available to the Company as of the present time. Actual dividends may differ from the forecast provided above due to various factors.
