Hamee Corp. (Head Office: Odawara City, Kanagawa Prefecture, President and CEO: Ikuhiro Mizushima, Securities Code 3134: TSE Standard Market) announces ParallelPlastics, an upcycling support service for waste plastic, will start April 1, 2026, selected products will be available at "KIT SHOP" (NEWoMan Takanawa), the flagship store of the modular furniture brand "KIT".

The lineup features the "Stone" series, including Stone Cases, Stone Mirrors, Combs, Magnets, and Tags.

The "Stone" series features soft, organic forms inspired by the natural curves of stones. Crafted from recycled plastic, each piece features a unique blend of colors and patterns—making every single item truly one-of-a-kind. Though plastic, each piece exudes the weight and distinct expression of natural stone, featuring a captivating design that highlights the material's unique personality. This initiative

transforms plastic waste into sustainable products, creating new value through thoughtful upcycling.

Discover the distinctive beauty of recycled plastic at our store. With each piece offering a unique pattern and texture, we hope you'll enjoy selecting the one that perfectly fits your style.

*Each piece features unique color and pattern variations inherent to recycled materials.

*Check in-store prices.

About Parallel Plastics

"Parallel Plastics" is a service that breathes new life into dormant inventory and manufacturing scraps, transforming them into high-value products through fresh perspectives and design. Together with companies and creators who see "possibility" in discarded plastic, we strive for "the coexistence of recycled materials and an enriched lifestyle." By utilizing recycled materials that balance sustainability, aesthetic beauty, and mass-producibility, we continue to propose new ways to connect the environment and daily life for the future.
