Notice Regarding the Status of Prime Market Listing Maintenance Criteria

Needswell Co., Ltd. (Headquarters: Chiyoda-ku, Tokyo; President and CEO: Hajime Matsuoka) announces that the free-float market capitalization, calculated based on the average closing stock price of 537 yen from July 1 to September 30, 2025, and the expected free float ratio of 54% as of the end of September 2025, is estimated to be approximately 11.7 billion yen. Consequently, the company determines that it has met the Tokyo Stock Exchange's Prime Market listing maintenance requirement (market capitalization of free-floating shares of 10 billion yen or more) for the fiscal year ending September 2025. Formal approval will be announced following the exchange's review process.
