### **1. Regarding the relationship between Panair and ENECHANGE**

Presently, ENECHANGE (hereinafter referred to as "the Company") has no business relationship with Panair.

In our energy platform business, we have formed partnerships with 52 electricity/gas companies nationwide. The addition of new companies is subject to a rigorous screening process based on the Company's rigid standards. At this time, there is no evidence that any of our partner companies have withdrawn from business or filed for bankruptcy.

### **2. The Company's response**

Although the impact of the case on its customers is unclear at this moment, in order to provide correct and appropriate information to Panair's customers and to provide opportunities to customers who intend to switch their contracts from Panair, the Company will set up the Panair Consultation Desk.

In the past, the Company has opened a service desk for customers to provide appropriate information and support when new entrants have withdrawn their business.

### **3. Impact on the Company's business performance**

Since the Company has no business relationship with Panair, there is no direct impact on the Company's business performance. We will make timely disclosure if a material impact on the forecast is expected.
