### 【TICAD9 Official Thematic Event】

Our Representative Executive Officer and Chairman Notomi is scheduled to speak at the following TICAD 9 official thematic event.

1. Together for Africa: Driving Health Innovation to End TB with Japan”

Date & Time: August 20 (Wed) 10:00-11:30

Venue: Pacifico Yokohama Exhibition Hall D (On-site event)

Organizer: Stop TB Partnership, Ministry of Health, Labour and Welfare

As an example of public-private partnerships and innovation aimed at ending tuberculosis, he would like to introduce our products to solve medical issues and improve access to healthcare in Africa.

2. Tackling Africa’s Malaria Crisis: Japanese Innovation and Technology as Catalysts for Change

Date & Time: August 20 (Wed) 12:40-14:10

Venue: Pacifico Yokohama Exhibition Hall D (On-site event with simultaneous interpretation)

Organizer: Malaria No More Japan (co-organizer: ALMA, Global Fund, RBM)

Reference URL: <https://malariaenomore.jp/archives/14106>

As an example of the social implementation of infectious disease control technologies such as tuberculosis control, KNCV Nigeria, our partner organization, would like to introduce the deployment of TB-LAMP active case-finding in Nigeria.

The Company have contributed to the avoidance of social losses and economic development in the African region through our health care services. Through this event, we will contribute to further fostering momentum at TICAD 9 and aim to the development of the African region through healthcare.
