Fuji Jutaku Co., Ltd. has been certified for the ninth time under the "KENKO Investment for Health Outstanding Organization 2026 (Large Enterprise Category) [White 500]"

On March 9, 2026, our company was certified for the ninth time under the "KENKO Investment for Health Outstanding Organization 2026 (Large Enterprise Category) [White 500]", a certification jointly awarded by the Ministry of Economy, Trade and Industry and Nippon Kenko Kaigi. Please find the details below.

Details

The "KENKO Investment for Health Outstanding Organization (Large Enterprise Category)" is a recognition program that honors large enterprises, including not only listed companies but also medical corporations and other large organizations across Japan, that practice excellent health management in collaboration with insurers. Additionally, the "Large Enterprise Category (White 500)" certifies the top 500 organizations among those recognized under the "KENKO Investment for Health Outstanding Organization (Large Enterprise Category)", based on the results of the health management survey. Our company has been certified for the ninth time under the "KENKO Investment for Health Outstanding Organization 2026 (Large Enterprise Category) [White 500]". Moving forward, we will continue our commitment as a White Company, working together as an organization to maintain and enhance the health of our employees.

Furthermore, our company has been selected three times in the past for the "Health & Productivity Stock Selection", a program jointly conducted by the Ministry of Economy, Trade and Industry and the Tokyo Stock Exchange. Additionally, in January of this year, we were selected for the seventh consecutive year as a "Sports Yell Company 2026", a certification by the Japan Sports Agency recognizing companies that actively promote sports participation to enhance employee health.

Moving forward, we will further emphasize employee health management from a managerial perspective and actively promote health enhancement. By taking a long-term approach, we strive to improve both our business performance and corporate value.
