“GLOBAL WiFi®” holds a gift campaign to celebrate its Wi-Fi router rental service exceeding 22 million users! By answering the survey on official LINE, 5 winners will be selected by lottery in April to win a 10,000 yen Amazon Gift Card.

Total number of group-wide users of Wi-Fi router rental services provided by Vision Inc. (Headquarters: Shinjuku-ku, Tokyo; President, Representative Director and COO: Kenji Ota, hereinafter Vision), which operates GLOBAL WiFi Business, Information and Communications Service Business, and Glamping and Tourism Business under the themes of “Connecting People, Connecting the World,” has exceeded 22 million (*1).

According to the announcement from Japan National Tourism Organization (JNTO), the number of foreign visitors to Japan in January 2025 was 3,781,200 (*2), an increase of 40.6% from the same month in the previous year, reaching a high record for a single month. Additionally, in the following month of February, the number was estimated to be 3,258,100 (*2), surpassing 3 million for the first time in February, and was more than 130% higher than in 2019. In response to this growing demand for inbound travel, usage of “NINJA WiFi®,” a Wi-Fi router rental service for visitors to Japan, is also increasing.

The number of Japanese travelers overseas also continues to recover, with the number of Japanese travelers overseas in January 2025 reaching approximately 910,000 (*2), an increase of approximately 9% compared to the same month last year. The number of users is expanding as more and more people choose “GLOBAL WiFi®” for travel abroad for various purposes such as business trips and sightseeing.

“GLOBAL WiFi®” will continue to strive to improve its network quality and expand available areas to become

the service of choice for customers and provide a comfortable mobile Internet connection environment around the world.

Furthermore, “GLOBAL WiFi®” starts a continuing gift plan from this April.

In April, we are holding a campaign where 5 winners will receive a 10,000 yen Amazon Gift Card through a lottery for those who complete the survey via the “GLOBAL WiFi®” official LINE account (*3).
