Vision Inc. (Headquarters: Shinjuku-ku, Tokyo; President, Representative Director and COO: Kenji Ota, hereinafter Vision), which operates GLOBAL WiFi Business, Information and Communications Service Business, and Glamping and Tourism Business under the themes of “Connecting People, Connecting the World,” in collaboration with Canon Marketing Japan Inc. (Headquarters: Minato-ku, Tokyo; President: Masachika Adachi, hereinafter Canon MJ), launched a hashtag campaign on X (formerly Twitter) on April 15.

The “GLOBAL WiFi® × iNSPiC #DreamDestinationPost Campaign” is a co-hashtag posting campaign on X (formerly Twitter) between the official account [@GLOBAL_WiFi] of “GLOBAL WiFi®,” an overseas Wi-Fi router rental service operated by Vision and the official account [@ichikaraLab] of “ichikara Lab,” an in-house startup at Canon MJ.

During the campaign period, participants can enter by following both official accounts, writing the destination they dream of visiting with the designated hashtag, and quoting and reposting the campaign post.

We will hold a lottery to select 10 winners — 5 will receive a Canon mini photo printer “iNSPiC PV-223,” and 5 will receive a travel voucher worth 15,000 yen — perfect for capturing and creating travel memories.
