“GLOBAL WiFi®” exceeded 23 million total users!

Total number of group-wide users of Wi-Fi router rental services provided by Vision Inc. (Headquarters: Shinjuku-ku, Tokyo; President, Representative Director and COO: Kenji Ota, hereinafter Vision), which operates GLOBAL WiFi Business, Information and Communications Service Business, and Glamping and Tourism Business under the themes of “Connecting People, Connecting the World,” has exceeded 23 million (*1).

According to the announcement from Japan National Tourism Organization (JNTO), the number of foreign visitors to Japan in June 2025 was 3,377,800, an increase of 7.6% from the same month in the previous year, reaching a high record for a single month. The cumulative total for the first half of the year reached 21,518,100, exceeding the same period in 2024 by more than 3.7 million. This marks the fastest pace ever, with the total surpassing 20 million in just six months (*2). In response to this growing demand for inbound travel, usage of “NINJA WiFi®,” a Wi-Fi router rental service for visitors to Japan, is also increasing.

At the Expo 2025 Osaka, Kansai, Japan, we established service booths at two locations within the venue, providing rental and sales for communication and charging equipment to visitors from both Japan and abroad. These services have been widely used since the opening. In addition, we have expanded our services to meet customer needs, such as expanding our unlimited data coverage area to 128 countries and regions and our 5G coverage area to 52 countries and regions.

“GLOBAL WiFi®” will continue to strive to improve its network quality and expand available areas to become the service of choice for customers and provide a comfortable mobile Internet connection environment around the world.
