“GLOBAL WiFi®” achieves the No.1 spot in the number of overseas Wi-Fi rental users for the ninth consecutive year.

“GLOBAL WiFi®” (<https://townwifi.com/>), an overseas-use Wi-Fi router rental service operated by Vision Inc. (Headquarters: Shinjuku-ku, Tokyo; President, Representative Director and COO: Kenji Ota), which operates GLOBAL WiFi Business, Information and Communications Service Business, and Glamping and Tourism Business under the themes of “Connecting People, Connecting the World,” has been ranked No.1 by users in the overseas Wi-Fi rental market for the ninth consecutive year, according to a survey by TOKYO SHOKO RESEARCH, LTD (*).

■ No.1 in the number of users in the overseas Wi-Fi rental market for the eighth consecutive year (*)

Since the launch in February 2012, “GLOBAL WiFi®” has expanded the services to meet customers’ needs from their feedback, with the goal of providing a reliable internet environment for many tourists and businesspeople. In addition to providing 24/7 support and convenient pickup and return options, we offer a variety of rate plans based on daily data volume to meet the diverse needs of our customers and provide the plans for each overseas travel style in over 200 countries and regions worldwide.

We have also strived to expand the coverage areas for 5G Plan to 54 countries and regions, and have continued to enhance service quality by expanding customer touchpoints through the installation of “Smart Pickup” Lockers available 24 hours a day, and improved communication quality, etc. At Expo 2025 Osaka, Kansai, we operated the only on-site facility dedicated to mobile Wi-Fi and power bank rentals. By providing this essential communication and charging infrastructure, we supported a comfortable and seamless experience for a vast

number of visitors. As a result, we have surpassed our competitors and achieved No.1 in the number of users in the overseas Wi-Fi rental market for the ninth consecutive year (*).

* Number of users and sales revenue survey for “2016-2024 Overseas Wi-Fi rental service (Japan → overseas)” (Tokyo Shoko Research, annual surveys from 2017 to 2025)

• Service area

“GLOBAL WiFi®” is available in over 200 countries and regions worldwide.

Our customers can access the Internet in many countries and regions around the world with this wide service area.

• How to pick up and return a device

For our customer convenience, “GLOBAL WiFi®” can be picked up and returned at 20 airports and 39 locations in Japan. They can pick up and return their devices at airport counters, home delivery, convenience stores (except for returns), and even pick them up locally in Hawaii and Korea. They can select the pickup and return methods that fit their travel schedules.

• 24/7 support system

Our support system is available 24/7 in Japanese via phone, email, and official LINE, even when our customers are overseas.

We are always ready to assist customers with any questions about how to use the service, troubleshoot problems, and strive to provide an environment where they can use “GLOBAL WiFi®” with peace of mind.

• Choice of rate plans

Our customers can choose the rate plan that best suits their usage style.

We offer a wide range of plans to meet a variety of needs, including Ultra-High-Speed 5G Plan, Unlimited Plan, and inexpensive plans up to 300MB per day, allowing customers to choose the plan that best suits their own usage scene.

We have always put customer satisfaction first and continue to pursue quality and convenience.

We will continue to provide valuable services to all customers who use “GLOBAL WiFi®.”
