We would appreciate your follow and support.

■ **“IR note Magazine”**

The “IR note Magazine” is a new initiative that delivers IR articles to investors through collaborative efforts across multiple companies. Investors who follow the magazine receive notifications of newly published IR articles from participating companies, enabling timely access to relevant information. As a result, participating companies can reach a wider audience of investors, including those interested in other companies.

### ■ How to Follow the “IR note Magazine”

If you would like to view the “IR note Magazine,” please follow it via the URL below.

<https://note.com/notemagazine/m/m530d4bde968b>

### ■ Planning and Management of the “IR note Magazine”

The “IR note Magazine” is a new initiative conceived by TSUKURUBA Inc. and established in collaboration with note inc. As the provider of the media platform, note inc. takes the lead in operating the “IR note Magazine.”

### ■ For Companies Interested in Participation in the “IR note Magazine”

The “IR note Magazine” is accepting applications from companies wishing to participate. If you are interested, please contact the management team via the inquiry form below.

<https://forms.gle/bEGoNmLqbPiefxBy7>

The Company will continue its proactive information disclosure on the “note” platform, including through the “IR note Magazine,” and will strive to further strengthen communication with investors.

### <About note>

“note” is a media platform where creators can publish text, images, audio, and video content, while users enjoy and support such content. The platform values a safe and inclusive environment that enables everyone to continue enjoying creative activities. Individuals and corporations coexist on the platform, expanding opportunities to discover new interests and connect with inspiring people. Since its launch in April 2014, approximately 69.56 million works have been created. The number of registered members has reached approximately 11.14 million as of the end of November 2025.
