**Vision Inc. has been selected as a “Supplier Engagement Leader,”  
the highest rating in CDP’s Supplier Engagement Rating for the second consecutive year.**

Vision Inc. (Headquarters: Shinjuku-ku, Tokyo; President, Representative Director and COO: Kenji Ota, hereinafter the Company) has been awarded the highest rating of “A score” in the Supplier Engagement Assessment (SEA), conducted by CDP, an international environmental disclosure organization. As a result, the Company has been selected as a “Supplier Engagement Leader” for the second consecutive year, following last year’s recognition.

This assessment measures the extent to which companies proactively address climate change challenges across their entire supply chain, and provides a comprehensive evaluation of governance, target setting, tracking and management of Scope 3 emissions, as well as engagement initiatives across the value chain.

The Company has positioned climate change response as one of its key management priorities and has been working to reduce greenhouse gas emissions and promote sustainable procurement through strengthened collaboration with its suppliers. This assessment is understood to reflect the high international evaluation of these initiatives.

Companies that achieve an A score in this assessment are selected for inclusion on the “A List” and are publicly disclosed on CDP’s website.

Going forward, the Company will continue to promote decarbonization across its entire supply chain and contribute to the realization of a more sustainable society.
