Total users of “GLOBAL WiFi®” and other Wi-Fi rental services exceed 25 million!
Launches a campaign offering the chance to win premium prizes.

Total number of group-wide users of Wi-Fi router rental services provided by Vision Inc. (Headquarters: Shinjuku-ku, Tokyo; President, Representative Director and COO: Kenji Ota, hereinafter the Company), which operates GLOBAL WiFi Business, Information and Communications Service Business, and Glamping and Tourism Business under the themes of “Connecting People, Connecting the World,” has exceeded 25 million (*1). To celebrate this milestone, we launched the “25 Million Users Thank You Campaign” (the “Campaign”) on July 9, offering participants the chance to win travel vouchers and other premium prizes.

The Campaign is jointly presented by “GLOBAL WiFi®,” an overseas Wi-Fi router rental service, and “WiFi-rental.com®,” a domestic Wi-Fi router rental service in Japan.

Anyone can easily enter the Campaign by adding the official LINE account of either “GLOBAL WiFi®” or “WiFi-rental.com®” as a friend and completing a short survey. Participants who enter through both official LINE accounts will double their chances of winning.

The Campaign offers a selection of 10 premium prizes, allowing participants to choose the prize they would like to win. We encourage you to join the campaign and invite your friends and family to participate as well.
