“GLOBAL WiFi®” Official LINE account surpasses 1.5 million friends.
– Campaign offering travel vouchers and other prizes to celebrate this milestone. –

Vision Inc. (Headquarters: Shinjuku-ku, Tokyo; President, Representative Director and COO: Kenji Ota), which operates GLOBAL WiFi Business, Information and Communications Service Business, and Glamping and Tourism Business under the themes of “Connecting People, Connecting the World,” is pleased to announce that the official LINE account for its overseas Wi-Fi rental service “GLOBAL WiFi®,” has surpassed 1.5 million friends. To celebrate this milestone, we launched the “GLOBAL WiFi® LINE 1.5 Million Friends Celebration Campaign” (the “Campaign”) on August 17, 2026, offering participants a chance to win prizes, including travel vouchers and Amazon Gift Cards through a prize drawing.

Since its official LINE account was launched in 2014, “GLOBAL WiFi®” has been used by many customers. After surpassing 1 million friends in 2023, the account has reached another major milestone this year with 1.5 million friends.

To celebrate this achievement and express our gratitude to our customers, we are launching the “1.5 Million Friends Celebration Campaign.”

The Campaign is open to everyone and easy to enter by adding the official “GLOBAL WiFi®” LINE account as a friend and completing a simple quiz.

We have prepared a variety of prizes, including travel vouchers worth up to ¥100,000. We encourage you to invite your friends and family to join the Campaign and take this opportunity to participate.
